This Child Safety Code of Conduct outlines appropriate standards of behaviour for all adults towards students. The Code serves to protect students, reduce any opportunities for abuse or harm to occur, and promote child safety in the School environment. It provides guidance on how to best support students and how to avoid or better manage difficult situations. Where a staff member breaches the Code, Kilvington Grammar School may take disciplinary action, including in the case of serious breaches, summary dismissal. The School revises the Code annually.

Kilvington Grammar School has the following expectations of behaviours and boundaries for all adults interacting with students within our School community.
