

## eLearning Resources (Years 7 – 10)

### LearningField Resources

Kilvington is using LearningField for textbooks and other resources for Years 7-10. The only booklist for Years 7-10 is for English novels and LOTE workbooks through Champion. The booklist for English/LOTE can be found on our website under Learning - Booklists. Information regarding specific apps required can also be found on this page.

LearningField is an initiative from the Copy Right Agency bringing together Australia's leading educational publishers into one product to provide quality content, easy access and collaboration tools for teachers and students in the digital classroom. LearningField's comprehensive e-textbook library allows students to:

- Access multiple texts from participating publishers
- Read their texts on up to six devices
- Work online or offline
- Make study notes and highlight key content
- Share ideas with their teachers or classmates
- Download books onto devices reducing the weight of school bags

LearningField is also a more economical textbook solution for families being more than half the cost of our previous booklists at \$285.00 per student per year. Students will have access to all textbooks from Years 7-10. This includes a number of different textbooks for each subject area. For more information, please refer to the LearningField website at [learningfield.com.au](http://learningfield.com.au).

LearningField will be available for Early Commencement students and will provide full access to the Years 7-10 resource list. Payment for LearningField will be open from 9 October 2017 through to the final date of 23 February 2018, through the LearningField website.

Please note that students in Year 10 completing a VCE subject will need to purchase the necessary textbooks through the Champion booklist.

### Education Perfect

Education Perfect is an online learning platform designed to make learning fun, engaging and effective. Students will use Education Perfect for **English, Maths, Science and Languages**. Families with students in Years 7, 8 and 9 will have the subscription for the service added to their School account in the amount of \$100.00.

**The booklist for Years 11 and 12 students can be found on our website.**

Please contact the School if you have any questions on 9578 6231.
